

Step-by-Step

MODERN CALLIGRAPHY

#1 Thicker Downstrokes - give it a try!

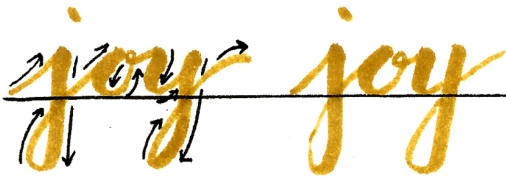

#2 Thinner Upstrokes - tag! You're it!

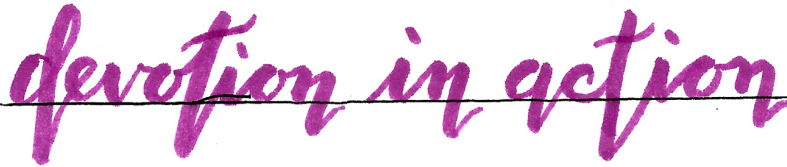

#3 Put the two together - You can do it!

#4 Let's try a word - "joy" - Pay attention to the stroke direction!

#5 Add some letter downstrokes that would not normally go below the base line.

KEEP PRACTICING! DON'T GIVE UP! YOU CAN DO THIS! ☺
